Built-in Front Dashcam

Capture every moment of your ride with the integrated front dashcam, offering added safety, convenience, and peace of mind on the road.

7" TFT LCD Display with Screen Mirroring

A vibrant high-resolution display that mirrors your smartphone for navigation, music, and calls — delivering advanced connectivity and a seamless riding experience.

USB Charging Port

Smart Comfort for Everyday Ease

Built for everyday practicality, the Nova 250 makes every ride effortless. Enjoy a generous 20-litre under seat storage for your essentials, convenient Type-A and Type-C USB ports for on-the-go charging, and gradual LED headlight illumination that adds a touch of modern sophistication to your ride.

Gradual LED Illumination

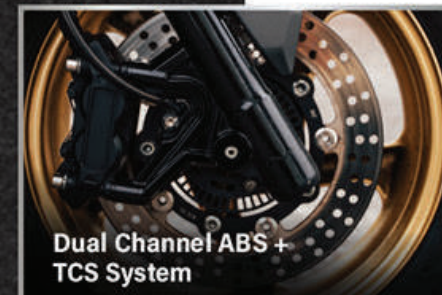

Large Under Seat Storage

Smart Key System

A seamless keyless experience with built-in anti-theft protection — combining convenience and security in one smart package.

Dual Channel ABS + TCS System

Tire Pressure Monitoring System (TPMS)

Confidence In Every Ride

The Nova 250 offers standard confidence and superior stability thanks to Dual Channel ABS + TCS. Smoother performance comes from the BOSCH EFI System, and safety is ensured by real-time tire pressure monitoring and powerful opposed 4-piston caliper.

BOSCH EFI System

Opposed 4-Piston Caliper
