Safety *Uncompromising Control*

Front and rear disc brakes with dual channel ABS work seamlessly with Traction Control System (TCS), delivering precise stopping, enhanced control, and confident stability.

Front & Rear Disc Brakes with ABS & TCS

Convenience *Modern Practicality*

A large 10L fuel tank pairs with smart keyless ignition for effortless daily use, while dual USB charging ports (Type-A & Type-C) keep your devices powered on the go. Plus, the spacious underseat storage provides convenient room for your daily essentials—perfect for keeping your belongings secure and within reach.

Dual USB Charging Ports (Type-A & Type-C)

10L Large Capacity Fuel Tank

Smart Keyless Ignition System

Idling Stop System (ISS)

Adjustable Gas-Charged Twin Rear Shock Absorbers

Performance & Efficiency

Smart Power and Dynamic Handling

The Idling Stop System (ISS) improves fuel efficiency during stop-and-go riding, complemented by adjustable gas-charged twin rear shock absorbers that ensuring a smooth, controlled, and responsive ride.

Design & Comfort

Bold Presence, Superior Ride

A striking LED headlight with progressive illumination defines its presence, complemented by a sporty front panel with aerodynamic winglets, while the ergonomic sport seat with integrated backrest ensures lasting comfort on every ride.

LED Headlight with Progressive Illumination
